# DEDICATION

Philip A. DeLise

# APPRECIATION

Charles Watterson

Who could forget the happy smile and the cheerful "hello" which always signifies Mr. DeLise's presence in the halls. His unwavering support and guidance has enabled us to grow from insecure, frightened freshmen to confident, mature seniors. Throughout the years he has expressed his constant concern by helping the Student Council at the football refreshment stand, reassuring a lost freshman, or solving the everyday problems occurring in the high school.

In recognition of his unyielding devotion, the class of 1979 takes great pride and honor in dedicating this *Milestone* to our assistant principal and friend, Mr. Philip DeLise.

After our four years at Branford High School, there is one man to whom we would like to express our deepest appreciation. Mr. Charles Watterson has helped us through freshmen fund raisers, Sophomore Ring Committee arguments, and Junior Prom chaos. His science classroom became a familiar and, often, comforting sight during times of frustration. Mr. Watterson's determination and hard work have promoted the success of many class events. We are grateful for his assistance.

Through the many months of seeming hysteria and unending labor, the *Milestone* has triumphantly survived! Devotion of free mods, homework hours, and late afternoons has greatly contributed to the completion of every page. It is only when a person becomes involved in the *Milestone* that he develops such a sense of loyalty and patience. We would like to express our gratitude for the people who displayed such unmeasurable qualities. We thank Mr. Ralph Fuller for attending to business transactions involving *Milestone* payments and for casting his encouraging smile upon fatigued workers. We also extend our appreciation to Mr. John O'Connor whose abundant energy and excellent photography captured the actions of the entire school. Most of all, we sincerely thank our advisor, Mrs. Connie Berglund. The countless hours which she has spent proofreading our material, answering our repetitious questions, and guiding us through paths of frustration were spent out of genuine concern and devotion. Only the *Milestone* members could realize her endless efforts and patience.

# STUDENT COUNCIL

Student Council Officers: Corresponding Secretary Pam Cruz, Recording Secretary Margie Kratzer, President Pat Spencer, Treasurer Renée Grimaldi

This year the Student Council sponsored many activities to benefit the student body and community such as the ever popular Varsity Drag, two Bloodmobiles, a Muscular Dystrophy Dance-a-thon, and the annual International Supper. All of these events were very successful and the Student Council of '79 thanks all students for their support!

# SPECIAL ED VOLUNTEERS/AIM

The Special Education Volunteers donate their time each Saturday morning to the special education students of Branford. During this time they participate in varied activities and games. This year they have gone on field trips to Radio City Music Hall and the Ice Follies. The highlights of the year also included the Special Olympics and a prom at the end of the year near graduation.

Interested in the field of medicine? The AIM Club of Branford High School is designed to introduce students to the basic procedures and problems faced in a medical career. Students contemplating this type of occupation can experience what it is really like. Among the activities sponsored by AIM were field trips to specialized medical establishments. AIM also provided a service to the community by visiting convalescent homes and giving parties.

The girls' field hockey team surpassed those of recent years with a 7-7-1 record. One of its many accomplishments was twice defeating Sheehan, a team we have not beaten in seven years. A heartbreaking 0-1 loss to Cheshire proved to be a decisive factor in the Housy Tournament. The three captains, Cindy Beach, Cindy Pattison and Carol Ball, added much encouragement and enthusiasm to lead the team to a very successful season.

Having only three seniors, it was a young team whose underclassmen will be a great asset next year.

All Housatonic selections were Captain Carol Ball and sophomore Robin McColl.

Gail Collins takes the ball through the Lyman Hall backfield

# CROSS COUNTRY COVERS MILES

The cross country team had its best season in three years. The team finished with a record of 7 wins and 7 losses, good for a fifth place finish in the Housatonic League. Leading the team to a successful season were "All Housy" Captain Kevin Hynes, Ray Dahlin, Drew O'Neill, Bob Bloomquist, Tim Lindert, Dan Kinney and Dan Healy. The team went on to a successful finish in the state sectionals.

Wayne, The best to you. J. Farina

The Branford High School football team was fortunate to have many outstanding players on the squad this year. Leading the team in tackles was junior Kevin Potter, who was named to the All-Housatonic and 1st All-State squad. Receiving honorable mention in the Housatonic League Poll were Rob Bowers, Blake Cramer, Dan Colburn, Ken Jasudowich. Rob Bowers was named Outstanding Lineman; Fortitude and Dedication, Rick Orris; Most Improved, Blake Cramer; Sportsmanship, Bob Davis and Leadership and Integrity, Ken Jasudowich.

# VOLLEYBALL

This year the volleyball team finished its season with an excellent record of 11-7, the best record in the history of Branford. The highlights of the season were defeating both Lyman Hall and North Haven and qualifying for the state tournament, where they accumulated a 6-3 record. Also, Jill Panico was named to the All-Housy first team. One important aspect of the team was that it was like one big family. There was a special closeness between all team members which was something unique. The personality, closeness, and high skill level led the girls to a season to be mighty proud of!

# SOCCER MAKES THEIR GOALS

Led by Co-captains Steve Gallacher and Bill Scalora, the Hornet soccer team compiled a 7-7-2 record and qualified for the state tournament. Gallacher was voted "most valuable" by his teammates and Pete Barron and Erik Johnson shared the "most improved" award. Scalora, Mark Erickson and Johnson were all selected for the All-Housatonic League team.

The 1978-1979 Boys Swimming Team was the best in Branford's history as it compiled a record of 12 wins and three losses and completely rewrote the record book in individual events.

Senior co-captain Mark Loftis continued his winning ways as he swam his last three years without losing an event in a dual meet. When he was finished, Loftis had 84 consecutive duel meet victories, 6 Housatonic Championships and 4 Class "M" State Championships. He holds state records and Housatonic League records in the 200 and 500 yard freestyle and holds the Branford High school records in the 100, 200 and 500 yard freestyle, 200 yard individual medley and is a member of both the record relay teams. He has been named to both the All State and All Housatonic League Teams for the last three years. In addition, Mark became Branford's first Connecticut Open Champion winning both the 200 and 500 yard free style.

Senior co-captain Eric Petersen was a member of the school record-holding freestyle relay team and was a top performer in both the 50 and 100 yard freestyle. Senior Carl Prota was a standout performer in the 200 and 500 yard freestyle events, a state finalist in the 500 yard freestyle and placed sixth in the Housatonic League Championships. Senior Kevin Collins was a key member of the team in both the freestyle and butterfly events. Senior divers Steve Carini and Eric Romblad gave Branford plenty of strength in this event.

Other record holders for Branford were Mike Conroy in the 50 yard free, Mike Markley in the 100 yard fly and Chris Conlin in the 100 yard breast.

This year's gymnastics team was led by Captains Chris Consiglio and Amy Wheeler as well as senior Diane Twigg. Unfortunately, a knee injury plagued Chris at the beginning of the season, but when she was able to perform she always did her best. Gymnastics is a sport that combines the poise of a dancer and the strength of an athlete. The team has come a long way to achieve this balance in the past few years and is gaining well-deserved recognition.

# HOCKEY

In only their second year of varsity status, the Branford High hockey team came just short of making the state tournament with a 9-11 record Under the direction of coaches Andy Porto and Doug Holmes, the Hornets gained respectability with tenacious team work and timely goaltending by goalies Jim Vickerman and Kevin Mason. Juniors Bernie White and Jim Biondi were both high in the standings in state scoring With only four seniors on their roster, Carl Carangelo, Pete Concelmo, Bob Murphy, and Harry Thompson, the Hornets are definitely a team to be heard from next season

The varsity team compiled a record of 9-11 overall and 9-9 in the Housy, while the junior varsity earned an 11-7 record for the season. The Hornets experienced many very close defeats with one or two point losses. Victories over Shelton in the first round and Cheshire, East Haven and North Haven in the second were the highlights of the season. They were games that required hard work and determination, exactly what the Hornets demonstrated! An incredible nine school records were broken, giving Co-captain Carol Ball six, in addition to "All Housy" second team honors, and junior Betsy Crimmins three. This season's improvement demonstrated the group's effort toward achieving team and individual goals.

Kevin Potter hustles under the boards!

What started out as an inexperienced team playing with only one returning varsity player finished its regular season in full swing with a record of 14-6. Branford gave undefeated East Haven their toughest competition of the year losing 67-65 after double overtime. Senior center Gerry Nuzzo saved his best for last as he excelled in the East Haven thriller and the final Derby game. Captain Warren Collins outdid himself against Derby, with 28 points, 18 rebounds and 8-8 from the floor Not only did he prove to be a tremendous leader, but his playing skill steadily improved. Andy Ezold, also a senior, was a great asset as he came in during many clutch situations and helped to pull the Hornets through. Unfortunately, two seniors, Dave Cretella and Brian Crotty, suffered injuries which kept them out of action for most of the season. Other starters included junior Kevin Potter, sophomore Jim Petela, one of the top scorers in the Housy with 356 points, and for the first time in at least 25 years a freshman, Jim Cast.

With the experienced varsity returning and the undefeated junior varsity (20-0), the future looks bright for Hornet basketball.

# ADMINISTRATION

The administrators of Branford High fuse the educational goals of the faculty and student body and give direction in the setting of school policies and objectives. Through their guidance and leadership, administrators help students resolve problems and expand their education. This year's many school activities were successfully carried out because of their strong support and advice. Because of their continuous fight for new facilities, Branford High School is slowly winning the battle to become an even better school.

# ENGLISH

The English Department subjects range from basic reading courses to the challenging English Honors classes. Students are given the opportunity to brush up on basic grammar skills, increase their vocabularies, or read anything from Greek mythology and Shakespeare to Twentieth Century novels. Also available are courses in theater arts, journalism, public speaking, business English, and even film-making. The department has begun requiring full year English classes for freshmen this year and for everyone else next year.

# SOCIAL STUDIES

The department aims to help the student understand today's vast and complex society through courses as All in the Family and You and Your Money. Another goal is to increase the student's awareness of his cultural heritage through the study of his country's own history. World awareness is emphasized in courses such as Russia, China, Africa, and Latin America.

# MATH

The Mathematics Department has a wide range of courses for nearly every level and interest in mathematics. New this year is Mathematics for Daily Living; also offered is Mathematics of Business Principles, Probability and Statistics, and Introduction to Computer Programming. An accelerated course in calculus, equivalent to a college course, is designed for advanced students. All these are open to students along with traditional courses of algebra and geometry. The department also possesses an excellent staff — who could forget Mr. Morgan's jokes and Mr. Rinaldi's magic tricks.

Wayne,

It's been a long time but I'm glad I got to know you

Wayne

Well, it's been a long time but I can't say I'm sorry

Wayne

(It's not windy)

P.S. Try to avoid pen hands!

Big Al

Wayne,

Let's hope you get your hitting chain back & the Gator Gang with your hitting in particular.

Sincerely,
Sam

Wayne,

I'm certainly glad I got to meet you this year. Have a great summer.

Dave

Wayne,

Don't work too hard this summer & following your heart. Nice knowing you

Mark J.

Wayne,

I'm certainly glad I got to meet you this year. Have a good life & good luck. Good luck on your best friend it was a good pleasure

Dave Alberino

Big Wayne,
This was definitely an excellent year. Too bad I wasn't in any of your classes, especially Morrison. This summer we got to play some serious frisbee (It's not windy)

Big Al
